Hi Amelia and Eric:

Regional Board 1 recently updated their 106 commitments for permit reissuances and expected CEI inspections in state fiscal year 2020-2021. Changes were made to reflect reduced PYs due to furloughs and temporary staff reallocations for COVID-19 tracer work.

Please see the updated commitments. In summary, Regional Board 1 is no longer committing to reissue the Mendocino City and Willits NPDES permits and CDF&G Coyote Valley and Bodega Bay Fish Farm inspections.

Let me know if there are any questions.

Thanks,  
-Gur Chand
